Dear Roger and Council Members:

The BOBS are proud to donate to the Zupo Field project a new Fair-Play Model BA7118-2 Scoreboard. This Scoreboard features L.E.D. components and it is wireless with a battery operated controller.

This new board is easier to maintain and will increase the visibility over the old board and be more fan friendly. The approximate cost of this donation is \$10,000.

We are very proud of the relationship we have with the City Parks and Recreation Department as we both strive to give our youth the best in facilities and programming.

Sincerely,

Tony Alegre
BOBS President
